Robert Lesneski

I talked to Him once on the phone 2011

I told him about Dead People

He said that Robert Eppert was his attorney and his friend

He thought Judge Vollbach was a good Judge

I told him about His sons employee Ms Skiba

that her Dad Charles Skiba Shot at my Two sons

He asked When

a couple of years later he showed up on my property edge

on the property that scully gave to Skiba in the same area that Skiba was when he was shooting at my sons

He had a deer rifle in his possession I was sitting in my van and my son was sitting beside me

he could not get a clear shot at me without shooting my son

the next thing he tried was on the day of my daughters first communion

my daughter warned me of him because of the way he was acting very suspicious

and my wife told me his name

I decided the only reason he would be there was to finish off what he was doing in the woods with a rifle

They tried to kill me many times and my family

I could not attend the event for the danger it presented to my family

in the following the dates

have to be corrected by the pictures on my files
